

# Subpart 538.2 - Establishing and Administering Federal Supply Schedules

**Parent topic:** [Part 538 - Federal Supply Schedule Contracting](#)

## 538.270 Solicitation, evaluation, and award of Federal Supply Schedule (FSS) contracts.

### 538.270-1 Evaluation of offers without access to transactional data.

(a) *Applicability.* Utilize this evaluation methodology for negotiating MAS offers when the commercial sales practices format is included in the solicitation (see [515.408](#)).

(b) When offerors have commercial catalogs, negotiate concessions from established catalogs, including price and non-price terms and conditions.

(c) The Government will seek to obtain the offeror's best price (the best price given to the most favored customer). However, the Government recognizes that the terms and conditions of commercial sales vary and there may be legitimate reasons why the best price is not achieved.

(d) Establish negotiation objectives based on a review of relevant data and determine price reasonableness.

(e) When establishing negotiation objectives and determining price reasonableness, compare the terms and conditions of the MAS solicitation with the terms and conditions of agreements with the offeror's commercial customers. When determining the Government's price negotiation objectives, consider the following factors:

(1) Aggregate volume of anticipated purchases.

(2) The purchase of a minimum quantity or a pattern of historic purchases.

(3) Prices taking into consideration any combination of discounts and concessions offered to commercial customers.

(4) Length of the contract period.

(5) Warranties, training, and/or maintenance included in the purchase price or provided at additional cost to the product prices

(6) Ordering and delivery practices.

(7) Any other relevant information, including differences between the MAS solicitation and commercial terms and conditions that may warrant differentials between the offer and the discounts offered to the most favored commercial customer(s). For example, an offeror may incur more expense selling to the Government than to the customer who receives the offeror's best price, or the customer (*e.g.*, dealer, distributor, original equipment manufacturer, other reseller) who receives

the best price may perform certain value-added functions for the offeror that the Government does not perform. In such cases, some reduction in the discount given to the Government may be appropriate. If the best price is not offered to the Government, you should ask the offeror to identify and explain the reason for any differences. Do not require offerors to provide detailed cost breakdowns.

(f) You may award a contract containing pricing which is less favorable than the best price the offeror extends to any commercial customer for similar purchases if you make a determination that both of the following conditions exist:

(1) The prices offered to the Government are fair and reasonable, even though comparable discounts were not negotiated.

(2) Award is otherwise in the best interest of the Government.

(g) State clearly in the award document the price/discount relationship between the Government and the identified commercial customer (or category of customers) upon which the award is based.

## **538.270-2 Evaluation of offers with access to transactional data.**

(a) *Applicability.* Utilize this evaluation methodology for negotiating MAS offers when the commercial sales practices format is not included in the solicitation (see [515.408](#)).

(b) Contracting Officers shall utilize the techniques in FAR 15.404 when evaluating pricing for MAS offers.

(c) Order of preference. When evaluating MAS offers and establishing negotiation objectives, Contracting Officers shall—

(1) Use the following data that is already readily available in accordance with FAR 15.404-1(b)(2)(ii):

(i) Prices paid information on contracts for the same or similar items.

(ii) Contract-level prices on other MAS contracts or other government-wide contracts for the same or similar items.

(iii) Commercial data sources that consolidate and normalize prices offered by commercial vendors to the general public to compare prices for the same or similar items.

(2) If the Contracting Officer cannot determine the prices offered to be fair and reasonable based on the data described in [538.270-2\(c\)\(1\)](#), perform market research to compare prices for the same or similar items in accordance with FAR 15.404-1(b)(2)(vi).

(3) If the Contracting Officer cannot determine the prices offered to be fair and reasonable based on the data described in [538.270-2\(c\)\(1\)](#) or (2), perform an analysis of data other than certified cost or pricing data (as defined at FAR 2.101) provided by the offeror in accordance with FAR 15.404-1(b)(2)(vii).

### **538.270-3 Use of clause fill-in information.**

(a) *General.* The fill-in information required by GSAR [538.273\(e\)](#) outlines the timeframe that orders must be completed and provides for—

(1) The exercise of task and delivery order options after the FSS contract ordering period, if those options were evaluated as part of the initial award and the order is completed within the timeframe outlined in [538.273\(e\)](#);

(2) The FSS contract to remain an active contract until the final order is closed out; and

(3) The FSS contract to govern the terms and conditions with respect to active task and delivery orders (e.g., price adjustments) to the same extent as if the orders were completed during the FSS contract ordering period.

(b) *Continuity of services.* The fill-in information prescribed in [538.273\(e\)](#) does not preclude use of FAR clause 52.217-8 by ordering activities. However, the clause may only be used if the extension does not extend the cumulative term of the task order beyond the timeframe outlined in [538.273\(e\)](#).

### **538.271 FSS contract awards.**

(a) FSS awards will be for commercial products and commercial services. Negotiate contracts as a discount from established catalog prices.

(b) Before awarding any FSS awards determine that the offered prices are fair and reasonable (see FAR Subpart 15.4 and [538.270](#)). Document the negotiation and your determination using FAR 15.406-3 as guidance.

### **538.272 MAS price reductions.**

(a) *Applicability.* This section applies when the contract contains the basic clause [552.238-80](#) Industrial Funding Fee and Sales Reporting.

(b) The basic clause and Alternate I of [552.238-81](#), Price Reductions, requires the contractor to maintain during the contract period the negotiated price/discount relationship (and/or term and condition relationship) between the eligible ordering activities and the offeror's customer or category of customers on which the contract award was predicated (see [538.271](#)). If a change occurs in the contractor's commercial pricing or discount arrangement applicable to the identified commercial customer (or category of customers) that results in a less advantageous relationship between the eligible ordering activities and this customer or category of customers, the change constitutes a "price reduction."

(c) Ensure that the contractor understands the requirements of section [552.238-81](#) and agrees to report all price reductions to the Contracting Officer as provided for in the clause.
